

SIPs and Solar

Foard Panel Partners with USA SOLAR STORE for Energy Saving Solutions

The advantage to using Solar Panels with your Foard Panel home or business is simple:

Increased Energy Savings & Greater Reductions in Fuel Bills.

Foard's tremendously tight wall systems allow your structure to utilize energy from the SUN more efficiently than other types of construction.

USA Solar makes it easy to choose a solar system for your specific project

USA SOLAR STORE has 12 stores in New England and 20 stores total throughout the Country. Their collective buying power reduces product prices for customers and their collective experience brings strict quality control.

USA SOLAR STORES Provide:

- Price advantage
- Experienced and certified solar installers
- Assistance with state & local rebate programs
- Technical Support
- Design consultation and site visit
- Fixed rate financing
- Large variety of Renewable Energy products and Energy Efficient Appliances
